Bible Study for You at Home

When was the last time you went to the Christian Book Store to look at Bible Studies for your group or videos for you or your children?

RightNow Media is a new way of doing Bible Study for all your needs. It has been called the Netflix of Christian Bible Study. It has over 10,000 Bible Study Videos. They can be instantly streamed to Sunday School, home groups, men’s groups, women’s groups and youth groups. It has wonderful material for children and adolescents.

If you have an email address listed with the church, you have received an invitation to take a look at RightNow Media. I encourage you to spend some time looking at the resources there. They have 17 different libraries to choose from with videos for the whole family.

As I was looking through different areas, I have some things you might want to check out. For children there is a wonderful section of Veggie Tales which tell the truth about Christian morals and ethics in a fun way. There is also for children a series called What’s in the Bible.

For adolescent children there is a great series called Adventures in Odyssey. This is produced by Focus on the Family. I enjoy what happens at Whit’s End and all the Continued on next page...

Footsteps Deadline is the 20th of each month. You may e-mail items to office@osltulsa.org or place them in the Secretary’s box on the outside of her office door.

adventures with Whit and the youth. Something else that I found here is a program called Theo. I really enjoyed the Bible Teaching done in a way that the adolescents will enjoy.

If you are a parent, you might want to check out Have a New Kid by Friday, Revolutionary Parenting and my favorite, Raising a Modern Day Knight. Each of these has great ideas for raising a child in a non-Christian world in a Christian manner.

Marriage takes work. Handle with Care is a good series to help you look at your marriage from a Christian perspective.

One of the studies for men I like is The Quest for Authentic Manhood. As in Raising a Modern Day Knight, you need to know about authentic manhood if you want to be able to teach it to your son. God created us as a man and we need to understand authentic manhood from His view.

As I was looking at the Women’s Bible Studies, I decided I just wasn’t the right person to make suggestions for this group. I would appreciate suggestions back from the women of our church so that those could be suggested for others in our congregation.

I hope and pray that you will take the time to look at different Bible Studies and videos. Then take the next step and use them to strengthen you and your family in your Christian Faith.

God’s Blessings to each of you, Eddie Morris, DCE

...God’s Calling and Plan for OSL and Ablaze Church.
Thank You
Thank you everyone for all the help at the 2015 Ablaze Easter Egg Hunt at Liberty Elementary! The sun was shining and most of us got at least a little bit sun burnt! We had about 296 kids plus parents! There was one entire extended family of 5 escorting a 3 year old! This egg hunt has turned into a wonderful yearly family event for many of the neighbors around Liberty. It’s not only producing lasting memories, but many spiritual seeds in tiny hearts as well.

None of us can say in words what it's like to see the masses of children running after the eggs. I cry every year. It's because they are so excited, but also, it's the fact that they will look back on these hunts with joy.... and they'll be more open to the calling of Jesus Christ in their lives. Thank you for supporting Ablaze. We love you guys.

California Rose Parade 2015
Petal Pushers is a group of 4,000 volunteers who decorate five Rose Parade floats in the Pasadena Tournament of Roses parade. Each year, volunteers from across the nation assemble in December during Detail and Decorating Days to decorate the Lutheran Hour Float, which is the ONLY Christian theme float in the parade. Volunteers range in age from 13-96. For the past 60 years, the mission of the Lutheran Hour Float Committee has been to provide a Christian witness and message of hope in Jesus Christ, to the un-churched, who view the float in person or through the media. How would you like to be a Petal Pusher? We will leave from Tulsa on Dec. 27 and take a motor coach to California, see sights along the way, help decorate floats for the parade, see the parade from bleacher seats, and arrive back home on Jan. 3, 2016. There are information sheets with more information available in the narthex. If you have questions, you may contact Eddie Morris, at 918-836-3752 or 918-344-4588 cell or dce@osltsula.org.
